Shipwrecked

TE ĀRAI AOTEAROA

LOG BOOK

Here you will find everything you need to know to have an amazing time at Shipwrecked.

Please read all of the information carefully and download the pdf to your phone before coming to the festival.

We're looking forward to welcoming you to another amazing adventure within our fantasy wonderland, Port Te Ãrai!

ARRIVAL

SITE ADDRESS: 186 ATKINS RD, TE ARAI, 0974

Please travel safely on your journey to the festival – the only wrecks we want to see are our boats! *Spread goodvibes along your course for others to pick up along their way...*

Keep left, especially on the gravel roads. Dairy trucks might be coming your way.

Beware of local road conditions - there are potholes on Ocean View Road and Atkins Road. Take the utmost care in the area and drive to the conditions.

30 km/h on our roads, 5 km/h on site.

Keep your litter inside your vehicle.

GATE HOURS

8AM – 9PM : FRIDAY – SUNDAY
FROM 2PM SUNDAY IS EXIT ONLY

Arrive at site only when the gate is open. Coming early or after the gate is closed you will not be able to enter.

There is no parking or camping available outside the festival site, so in case you arrive late please check out surrounding campgrounds and arrive here in the morning.

There is no reception in the area so make sure you download or print your ticket before you leave home. Have them ready to be scanned upon entry. If your ticket cannot be scanned you will be denied entry.

There is no admission without a valid ticket or appropriate authorisation. The name on your ticket must match your ID. If you are receiving a ticket from a friend, you must ensure that the details are correct or updated.

Due to the site being next to an operating sand mine, Health & Safety states you must not enter by foot. *To arrive at the festival you have to drive through the sand mine. If you are being dropped off please find a fellow sailor that is keen to share their vehicle to take you into the festival site.*

VEHICLES

We encourage carpooling! Catch a ride or offer someone your spare seat via our Facebook group: "Shipwrecked NZ Community Hub".

EVERY VEHICLE NEED A PASS ——

This includes cars, campervans, caravans and buses.

There is no public parking in the surrounding area. Plan ahead and purchase the correct add-on before arrival in your vehicle.

There are four vehicle passes available:

VEHICLE PARKING PASS

UP TO 6 METRES LENGTH AND 3M WIDE

Allowed ONLY in the car park. No entry to the campsite. You will park your car and walk to the campsite. **Camping is not permitted in the car park.**
Feel free to bring a trolley for transporting your goods.

SMALL VEHICLE CAMPING PASS

UP TO 6 METRES LENGTH AND 3M WIDE

The vehicle will have **entry to the campsite in the allocated small vehicle camping area. Vehicles are not allowed to be moved after being parked up.** If you're giving a lift to someone sleeping in a tent, they can camp next to you.
Please note: you can only pitch 1 tent per vehicle.

LARGE VEHICLE CAMPING PASS

UP TO 6 – 15 METRES LENGTH AND 3M WIDE

The vehicle will have entry to the allocated campsite in the allocated large vehicle camping area. Vehicles are not allowed to be moved after being parked up. If you're giving a lift to someone sleeping in a tent, they will need to camp in the allocated camping area due to limited space between the large vehicles.

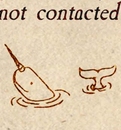

VEHICLE AND CARAVAN COMBO PASS

MAX: 15 METRES TOTAL LENGTH / 3M WIDTH

The tow vehicle and caravan (or trailer) will have entry to the campsite in the allocated caravan camping area. **Caravans have to stay with the tow vehicle. Tow vehicles and caravans are not allowed to be moved after being parked up.** If you're giving a lift to someone sleeping in a tent, they will need to camp in the allocated camping area due to limited space between vehicles.

OVERSIZE VEHICLES

If you wish to bring a vehicle **with or without a caravan that is larger than 15 metres combined please send an email** to ahoy@shipwrecked.co.nz for further support.
We reserve the right to refuse entry for vehicles that are larger than 15 metres and have not contacted support

Once you've entered the gate please follow the instructions of the traffic crew to direct you to the correct area. **Be nice to them, they have a very difficult job!**

5KM/H SPEED LIMIT AT ALL TIMES ON SITE

Passouts for vehicles parked in the car park are permitted during gate opening hours only – You won't be able to leave if you're parked in the camping area.
To re-enter you must present your festival wristband.

CAMPING

The campsite is approx. 500 metres from the festival site. The camping area is divided into tent camping and vehicle camping zones. Please follow the instructions of our lovely traffic crew to get directed to your camp zone. Please camp tight to make our campsite crew happy and to ensure everyone finds a lovely spot.

If you are in vehicle camping, once you're parked up, you won't be able to move your vehicle. **If you wish to leave early, please let the campsite crew know so they can park you near the exit.**

We have a simple rule for camping: if you arrive together you can camp together, provided you're going into the same zone. **Unfortunately we are unable to reserve spots.**

CAMPGROUND AMENITIES

There is drinking water, cold showers and toilets available in the campground area. There are no bins provided on the campground, so please support our leave no trace policy and take home everything that you brought with you.

The festival officially ends Sunday at 8pm and the campsite closes Sunday 9pm. This means you are required to be packed up and leave by this time.

Please make sure you or your designated driver had plenty of rest and enough water, before leaving the site. If you do feel like you're not able to drive safely, please let one of the crew know and we will help you find a solution.

PACK LIST

Your ticket & 1 vehicle pass per vehicle.
Downloaded to your phone or printed.

ID - NZ Drivers Licence or Passport

Camping equipment - bring extra long pegs and rope due to sandy ground

Head Torch or Torch

Water bottle & thermos

We recommend 10L of water per person to have with you at the campsite

Sun protection e.g. suncream, hats

Bring shade sails, gazebos or tarps creating shade above your tent or camper!

Warm clothes - it can get a little chilly at night

Wet weather gear - just in case

Swimwear

Your favourite party outfits

Personal ashtrays if needed

Rubbish & recycling bins - we are a leave no trace event!

Waste-free snacks and non-alcoholic beverages. **Absolutely NO GLASS.**

DO'S & DONT'S

We encourage good vibes and safe shenanigans! Please familiarise yourself with what's OK here and what's not.

"YES" TO :

BIKES

You can bring your pushbike for the trail between campsite and festival site, which is an easy bike ride – but please park it at the main entrance area and don't cycle around the festival site where the stages are located.

Make sure you've got a night light and don't forget to bring a lock.

CHILDREN

You're welcome to bring your kids, but please make sure you look after them at all times. People under 18 years of age can only enter if they are accompanied by their legal guardian or an appointed accompanying adult over the age of 30.

Unaccompanied minors will be refused entry.

SUSTAINABILITY

The best way to support our leave no trace policy is by bringing waste free snacks, reusable containers, cutlery and a mighty vessel to keep you hydrated! We serve most drinks using a deposit system of stainless steel cups, or you can bring your own vessel.

SWIMMING

We are super lucky to have a freshwater lake on site for swimming. **Swimming is allowed only at the beach by the Humming Hut** and take care when in the water, it gets deep quickly. **DO NOT enter the water in the camp site area at any time!**

LIFEGUARDS WILL BE ON DUTY
FRIDAY - SUNDAY : 8AM –8PM.
Help them watch out for you and your fellow patrons, and refrain from swimming outside of lifeguard duty hours.

Also, please ensure that no waste, alcohol, sun cream or bodily fluids end up in the lake. By respecting the lake and its environment, we will be able to enjoy its delights in the long term!

DO'S & DONT'S

"NO" TO :

PETS

Animals are not permitted in the festival grounds or in the campsite.

Make sure you've arranged for someone to care for your pet before leaving for the festival.

ALCOHOL

BYO alcohol is not permitted across the entire festival site (including campsites) and searches will take place on entry. Leave your alcoholic drinks at home.

Shipwrecked is fully licensed with 4 unique bars - all designed to take care of your each and every whim. From refreshing non-alcoholic drinks, hand-crafted cocktails and (free) filtered tap water.

GLASS

Shipwrecked is strictly glass-free. This is to ensure the safety of everyone as they enjoy their barefoot summer days. There will be kids running around and festival goers doing all sorts of fun things, so please help us keep our sand and grass free of glass.

FIRE

We have a TOTAL FIRE BAN in place - we are surrounded by a forest of pine trees. Their dry pine needles drop to the ground creating serious fire hazards, so please be conscious of this and act accordingly.

Only Gas cookers/ BBQs that have enclosed flames and are fixed inside vehicles are permitted to be used on the campsite, no cooking outside. We have a cooking area set up at the entrance of the campsite for you to use. If you are camping in a tent, please use the cooking facilities only. -We have tables, a dish wash station and fire extinguishers set up, please BYO cooker.

Please don't use candles outside and be careful when using lighters and matches.

Always put cigarette butts in your personal ashtray or in tins we have located across the site.

NOISY NEIGHBOURS

Private generators or sound systems are not allowed in the camp site or anywhere on site.

ANTISOCIAL BEHAVIOUR

Shipwrecked does not tolerate harassment of any kind – sexual, racial or otherwise. Everyone is welcome, and the comfort and safety of our patrons is paramount. If you are subjected to anything non-consensual or that makes you uncomfortable, or if you witness anything that doesn't look as it should, **please notify security or one of our team members as soon as possible.**

Signs or slogans displaying discriminatory, derogatory or offensive messages are not permitted.

Antisocial behaviour will not be tolerated and anyone found acting in such a way will be taken off site without refund.

SAFETY

SHIPWRECKED IS ALL ABOUT HAVING THE BEST TIME WITH THE BEST PEOPLE.

We want everyone to have an excellent time, knowing they are well looked after. Keep an eye out for your fellow attendees, and help us to continue creating a safe and fun environment for all.

SAFE HARBOURS

If you find that it's all getting a bit too much or you just need a hug, sashay your way to the Safe Space – to take some time out, sip some water and enjoy the quiet company of great people.

First Aid and our amazing security team are also available around the clock – please don't hesitate to ask for help.

MEDICAL CONDITIONS

We will have medics on site but they are unable to provide any specific prescriptions. Please remember to bring the appropriate medication if you have a medical condition. If you need any assistance, please reach out to the medics, security or festival crew.

Important to note: *Lasers, smoke machines and strobe lighting will take place during some performances.*

COVID

Unfortunately the big C is still around and we all have social responsibility for each other! What you can do to help:

If you are feeling unwell or have symptoms before the festival, please stay home.

If you start to feel unwell or get symptoms during the festival, please go home. If you need assistance please let a crew member know.

IN CASE OF AN EMERGENCY ON SITE

In the case of an emergency keep calm, and ask for help from the crew. If you notice anything unusual or feel confused, speak to the security or crew and follow their instructions. The assembly points are located on Atkins Road outside the festival gate for the festival site, and the roundabout at the general camping area entrance for the camp site. You will be directed to the assembly point by the security team and crew members.

PHONE RECEPTION

Cell phone reception is limited in the area so be sure to let your friends and family know where you are headed for the weekend for everyone's peace of mind.

KNOW YOUR STUFF

We're stoked to have Know Your Stuff, a drug related harm reduction service, back on board for Shipwrecked 2024. **If you are planning to consume anything, please see Know Your Stuff before you do.** There are so many warnings around NZ right now, and this crew is here to make sure everyone can party safely. **You won't get in trouble and this service is free!** You can find Know Your Stuff next to the medic tent behind the Lucky Star stage.

Friday 12pm - 8pm
Saturday 10am - 6pm.

OTHER INFO

Treasure

PAYMENT SYSTEM

This year we are going back to the basics. All bars accept EFTPOS or Drink Tokens only. If you wish to bring cash, you can swap it for drink tokens at the info shack. Food vendors and market stalls accept cash and some will have eftpos available too.

CUP DEPOSIT SYSTEM

Most drinks will be served in stainless steel cups. You purchase a cup for $10 with your first order. For every following order we will swap your cup for a fresh one for free. If you lose your cup, you will need to purchase a new cup. At the end of the festival you can take your cup home, or return it and receive a $5 refund.

PHOTOS & VIDEOS

All ticket holders consent to being filmed, photographed and recorded for television, films, radio, webcast and other public broadcast and/or for any video.

We have professional photographers on-site capturing the magic of the festival, please leave them to take the footage needed. You can identify our media team by the official media accreditation card. **Permission must be freely given before taking any up close shots.**

When using your phone camera, be mindful of fellow patrons and avoid holding up your phones for long periods of a set! **Photography and filming for commercial purposes can only be undertaken with prior written approval from Shipwrecked Festival.**

VIDEO RECORDING & LIVE STREAMING

Patron photographs taken at Shipwrecked Music & Arts Festival cannot be included in any sponsored programme or in any form of advertising without specific approval.

Photography is prohibited in certain areas: medical area, security hubs and all backstage areas.

LOST & FOUND

Lost and Found is located on site at the information desk by the house. Please report all lost items here and check before leaving the site to be reunited with lost property.
